

ABOUT ME

I am Irfan Ullah, a versatile Graphics and UI/UX Designer with over six years of remote experience creating impact branding, user-friendly interfaces, and modern websites using HTML, CSS, and JavaScript. My expertise also includes Auto Cad and 3Ds Max, enabling me to design professional interior and exterior layouts with precision and creativity. I also bring strong data management and administrative capabilities from my two years as a Data Entry Assistant at DADO, demonstrating accuracy, organization, and reliability. Motivated, adaptable, and detail oriented, I consistently deliver high-quality digital, architectural, and administrative solutions in fast environments.
